### About Redfin

Redfin ([www.redfin.com](http://www.redfin.com)) is a technology-powered residential real estate company, including brokerage, iBuying, mortgage, and title services. Founded by software engineers, we run the country's #1 most-visited brokerage website and offer a host of online tools to consumers, including the Redfin Estimate. We represent people buying and selling homes in over 90 markets in the United States and Canada. In a commission-driven industry, our mission is to redefine real estate in the consumer's favor. We do this by pairing our own agents with our own technology to create a service that is faster, better, and costs less. Since our launch in 2006, we have helped customers buy or sell more than 235,000 homes worth more than \$115 billion.
